

## Josie Natori Women's Bardot Midnight Pant

Light as a sea breeze against your skin, the Bardot Midnight pants from Josie are an exceptionally comfortable addition to your loungewear collection. They're made of super-soft, smooth and naturally stretchy rayon and have a relaxed fit to keep you moving freely. These lounge pants have a wide covered elastic waistband and drawstring for a perfectly nonrestrictive feel and are accented with a gorgeous array of pastel-hued flowers. The leg cuffs are trimmed with lace for a dash of elegance. The Bardot Midnight pants are available in a chic white and gray colorway and pair beautifully with the matching cami.
